

Teaching Spaces Technology: Room Familiarisation

Step 1:

Log in to ECUSIS:
ecusis.ecu.edu.au
Login using your ECU
username and password.

Are you new to ECUSIS?

ECU Spatial Information System (ECUSIS) is an online tool providing access to a range of services including:

- Room bookings (meeting rooms only and not for booking a lecture theatre, tutorial room or case study room).
- Office Allocator - this service needs to be used whenever a new staff member commences or an existing staff member relocates to another office. (Accessible by staff only)
- Room enquiry - search for rooms by size or resources. (Accessible by staff only)
- Maps and plans - an enhanced version of the interactive campus maps providing additional details such as occupant names, areas and capacities. (Accessible by staff only)

You may be presented with this login page when trying to access web content stored securely within ECUSIS.
